Name: Mercy Mwikali Mwendwa

Location: Machakos, Kenya

Contact: 0708451590

Email: mwikalimercy50@gmail.com

Objective:

Seeking a role as a Junior Web Developer to leverage my front-end development skills using modern technologies like React, Tailwind CSS, Next.js, and GraphQL. I am enthusiastic about learning and staying updated with the rapidly evolving technology landscape to deliver innovative and impactful web applications.

Summary:

I am a highly motivated Telecommunication and Information Technology graduate with a strong passion for web development. My excellent communication skills, along with my eagerness to explore new technologies, make me an ideal candidate for a Junior Web Developer position.

Education:

• Bachelor of Science in Telecommunication and Information Technology, Machakos University.

Skills:

• Strong oral and written communication skills

• Proficient in MS Office suite and LibreOffice suite

• Web development using React, Tailwind CSS, Next.js, and GraphQL

• Intermediate understanding of Python, and C++ programming languages

• Basic Linux developer skills

Experience:

Net Hub Kenya – Intern, 14/02/2022 - 29/04/2022

• Assisted in network infrastructure design and implementation projects

• Conducted basic troubleshooting and maintenance for network infrastructure

• Collaborated with team members to achieve project goals

Beannsofts Company - Intern, 10/01/2023 - Present

• Assisted in developing web applications using React and Vue frameworks

• Conducted basic troubleshooting and maintenance for web applications

• Collaborated with team members to achieve project goals

Certifications:

• Certificate in Ethical Hacking and Information Security, Zalego College.

• Certificate of participation in Hult Prize University Competition 2018.
